Based off the successful hull and sporty propulsion system of the 400 FLY, the 410 HTC offers a sportier silhouette matched with quality interior. Natural light is provided by large windows throughout as well as a sunroof overhead on the main deck. Everyone's favorite feature, "Beach Mode," expands the width of the cockpit deck creating more space for al fresco entertaining.

An amidships master is extra spacious thanks to its placement at amidships, which allows the stateroom to take full advantage of the yacht's beam.

The choice to put the galley on the main deck allows the chef to remain a part of the party while preparing delicious meals for the guests.

When "Beach Mode" is activated, two fold-out terraces greatly enhance the entertainment space in the after section of the main deck.

Note: Layout and features may vary from shown here due to manufacturer consideration and client customization.
